Homeless Task Force: Placer County Probation and HHS social workers continue to visit our homeless several times a month. As a result, several individuals have been able to take advantage of our community and housing resources and are no longer living on the creek. Recently, Probation has turned an old Bookmobile into an Outreach Vehicle to provide weather-protected homeless outreach, probation check-in and on-line court appearances. They plan to be in Lincoln every 2 weeks.

Update on Water Shut Off Due to Non-Payment: The law prohibiting the shutting off of water service due to non-payment expired December 31st. Utility Billing have been noting about the expired order in resident's monthly bills. If you are in arrears, please contact Utility Billing.

Annual Audit: The finance department has completed our annual audit for fiscal year ending 6/30/21 and we have no findings this year!! See the chart below for the progress finance had made over the past few years. Great job finance!

Community Development Department: The CDD will be updating and re-establishing the department's On-Call Contract Services for use of consultants to perform a variety of Professional Services in assistance of the department. The schedule of this effort will be kicked off by a formal Request for Qualification (RFQ) process in February, followed by a comprehensive review of Statement of Qualification (SOQ) documents in March-April, and anticipated approval by the City Council in June.

Community Development Department (CDD), which consists of Building, Engineering and Planning Divisions, processed approximately 671 single family dwelling units in 2021, an increase of 58 units from 2020.

All Capital Improvement Projects will be updated on the attached CIP Tracker Report on at least a monthly basis. Individual Inside Lincoln updates will only be provided for a select group of high-profile projects as needed.
